DETAILED ACTION

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:

As to claims 1-5, 7-10 and 12-22, the prior art of record disclose a reference circuit comprising a reference amplifier configured to generate a bias signal and an output circuit configured to correct a bias voltage of bias signal. However, the prior arts of record is silent on the combination of the aboved limitation with correction circuit comprising a bias correction amplifier configured to correct a bias voltage of bias signal. Further, in view of the apparatus the method step is also silent on the step of correcting bias voltage with a correction current from a second amplifier.

Any comments considered necessary by applicant must be submitted no later than payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled " Comments on Statement of Reasons for Allowance."
